

VERSEX

This range of LED exit sign luminaires offers long life, low energy and flexible mounting solutions in a choice of attractive packages. The suspended luminaires feature extruded aluminium housings and a wide range of mounting attachments allowing wall, ceiling or suspended solutions. The recessed luminaires have conventional styling but with all the size and performance benefits provided from the latest LED technology. The luminaires feature a unique method of fitting legend 'screens' onto the face of the acrylic panel.

All luminaires incorporate long life high brightness white LED's with typical life expectancy of over 50,000 hours. Self-test versions are also available.
